

2017 NATIONAL CONFERENCE

Saturday 6th May 2017 – Melbourne Convention and Exhibition Centre, Victoria, Australia

PRIMARY CARE DIABETES SOCIETY OF AUSTRALIA

DIABETES CARE FOR ALL, BY ALL

The conference has been specifically designed for all primary care health professionals working in diabetes care to:

- Advance their education and learning in the field of diabetes health care
- Promote best practice standards and clinically effective care in the management of diabetes
- Facilitate collaboration between health professionals to improve the quality of diabetes primary care across Australia

6TH MAY 2017 CONFERENCE PROGRAM

The 2017 PCDSA national conference program will combine cutting edge scientific content with practical clinical sessions, basing the education on much more than just knowing the guidelines.

The distinguished panel of speakers will share their specialised experience in an environment conducive to optimal learning. The Speaking faculty include, amongst others:

**Associate Professor
Neale Cohen**
